

TERMS & CONDITIONS BROADBAND & FIBRE

VERSION V2 02/18
February 2018

By placing an Order with us you agree to the following Terms and Conditions.

1. Your Order

Your Order sets out the Equipment and Services you have ordered and the amount we will charge you and includes all connection fees, line rental charges, and service charges together with any call bundles you may have ordered.

2. Cancellation

You may cancel the order by giving notice in writing to Toople. Order cancellations incur a cancellation fee. If you cancel the Contract after the date your Services go live, Toople may charge you an Early Cancellation Fee as detailed on our Website.

Once we receive your cancellation request, we will issue you with a final invoice for any outstanding charges.

3. Your Contract

Your minimum Contract period is stated on your Order.

At the end of this period the Contract shall continue on a monthly rolling basis until either you or we terminate the Contract by giving 30 days' notice in writing. At the end of your contract Toople may charge you a final disconnection fee.

4. Your Service

If you have ordered Toople broadband we will provide this to you completely free once you have paid your connection fee and provided you pay for line rental for the life of the Contract.

If you have ordered Toople Fibre (Lite or XL) we will charge you a monthly fee for this as set out in your Order. Toople Broadband and Toople Fibre (Lite or XL) both include unlimited data per connection per month.

5. Charges

We will charge you a fixed monthly fee to cover all Services and Equipment provided under this Contract. This will be charged monthly in advance and will not change during the period of your initial Contract. If we do increase our charges to you during your minimum Contract period, you may cancel your Contract and we will not charge you an early cancellation fee.

You must make all payments by direct debit within 14 days of the beginning of each month. Should your direct debit payments fail for any reason we will charge you an administration fee.

If you have not chosen a call bundle we will charge you monthly in arrears for calls at our standard rates which are published on our Website. These rates may change from time to time.

All charges are subject to VAT.

If you are late in paying any charges we may charge daily interest at 2% above the base rate of HSBC Bank Plc on any outstanding sums until payment in full is received.

6. Obtaining the Service

If you require a telephone line to be installed, we may need to charge you if we need to arrange for a Network engineer to attend your premises to conduct a site survey.

We will arrange an appointment for delivery and (if necessary) line installation. Whilst we will endeavour to deliver the service on the agreed dates and times, this cannot be guaranteed. We will ask you to confirm when the Equipment has been delivered and any line successfully installed.

The Toople Broadband or Toople Fibre (Lite or XL) service can go live any time up to midnight on the installation date.

Any Equipment we supply to you will come with a manufacturer's warranty but we can offer no further warranty in excess of this. Any repairs or replacement beyond the manufacturer's warranty will be at your cost.

7. Supplying the Service

We will use all reasonable skill and care to supply the Equipment and Services to you. If we are transferring an existing telephone line, we will use all reasonable efforts to ensure the existing telephone number is retained.

We cannot guarantee specific levels of performance for Internet access and speeds.

If we need to suspend the Services for repair, maintenance or improvement we will restore them as soon as is reasonably possible. If necessary you will need to allow us or a Network engineer to access your premises. Normally this work will be carried out by appointment and during normal working hours, but it may be necessary on occasions that you provide access to your premises at other times.

We cannot guarantee that the Equipment or Services, or any data generated, stored, transmitted or used via or in connection with the Services, will be uninterrupted, secure, error-free, complete, accurate or up to date. We do not provide a back-up or guarantee the integrity of your data for disaster recovery purposes.

We may withdraw or change any telephone number or IP address allocated to you for the purpose of providing the Services upon giving you reasonable notice and all intellectual property rights in any such number and IP address shall belong to us.

8. Use of Equipment & Services

We provide the Services for your use only. You may not re-sell, transfer, assign or sub-license the whole or any part of the Services to any third party. In using the Services, you will comply with the Legislation or any other relevant regulations or licences regarding the provision and use of the Services and you shall ensure that your telecommunications equipment shall at all times conform to the applicable standards. We may suspend the Services if your equipment does not comply with the Legislation or if we reasonably believe it is likely to cause death, personal injury or damage to property or to impair the quality of any Services provided by us or put us in breach of our obligations to any third party.

We may monitor and record all usage by you. If you exceed your agreed monthly call bundle (as set out in your Order) we will charge you monthly in arrears at our standard rates which are published on our Website. These rates may change from time to time.

If you have ordered an unlimited call bundle we may still charge you for excessive calls which we reasonably believe indicate improper or fraudulent use of the Service. We will inform you if we detect improper or fraudulent use. You will also be charged outside any agreed bundle for calls to service numbers starting 0844, 0845, 0870, 09xx and 118xxx at the rate specified on our Website.

To try to help protect your business, all outbound calls to premium rate lines or other known high risk numbers are barred. If you do need access to any of these numbers please contact us.

You shall be responsible for the cost of replacing any Equipment that is lost, stolen or damaged. At the end of your Contract you must return any Equipment to us.
